

Ditchling, Streat
& Westmeston
NEIGHBOURHOOD PLAN

The questionnaire was completed in July by 547 households – more than half – across the three parishes.

This strong response has provided a solid base to help draw up the plan.

NEIGHBOURHOOD PLAN

Residents' questionnaire

What do we want decisions about housing and development in this area to be based on? Do you think we need certain types of new housing? Where should it be? Is it important to protect open spaces?

Hopefully you have already heard about the joint neighbourhood plan for Ditchling, Streat and Westmeston which will help provide the answers to these questions, and guide development in the area to 2030. Once it is agreed it will have the force of law behind it. Planners and planning appeal inspectors will have to refer to it when making decisions on planning applications.

The plan is being drawn up by residents working with your parish councillors and we want **EVERYONE** to have their say.

This questionnaire is the first stage in a programme of public consultation to help us draw up the plan you want.

The area covered by our plan includes the parishes of Ditchling (including St George's Park), Streat and Westmeston. This questionnaire is for everyone who lives here. We hope that one person in your household will answer on behalf of everyone, but if you need more copies please ask your street representative.

Please **return** your completed questionnaire to **your street representative** OR put it in the **box in Ditchling Post Office** OR **post it to Tom Dufty, Project Group Chair, 12 Common Lane, Ditchling, BN6 8TJ.**

You can also fill it in online at www.xxxxxxxxxx

Please return your completed questionnaire by 31 July 2014
